

# Grip360° + Stand

See your iPad in a Whole New Way

Part # F8N439

## See your iPad in a Whole New Way

### One Device, Multiple Uses

Enjoy the unique experience of the all-in-one case and stand solution. View your iPad your way with the versatile and protective case with an innovative handstrap for 360° viewing. Or swap out the handstrap and replace it with a multi-position kickstand for table-top viewing and typing mode. It's that easy.

### Designed for Versatility

A quick-release design lets you switch the handstrap or kickstand in and out. It's the easiest way to enjoy the ultimate iPad experience.

## Features

- Adjustable hand-strap offers a comfortable and secure fit.
- Easy-grip case
- Stand with multiple viewing angles
